

Sonographer of the Year 2022

BMUS have great pleasure in presenting the Sonographer of the Year Award for a third year. This award has been created by BMUS to celebrate outstanding contributions made by Sonographers to the field of Medical Ultrasound.

BMUS ask for nominations for those who deserve to be recognised for making a difference in their profession. Individuals nominated should

- be champions of the profession,
- promote excellence in the field of ultrasound,
- provide leadership,
- go the extra mile for patients and colleagues,
- educate future generations with unyielding enthusiasm,
- be a BMUS member.

The winner of this special award will be an inspirational Sonographer who will have gone above and beyond on a day-to-day basis – an utmost credit to their profession; and will be announced at the Ultrasound 2022 Winter Ball in Cardiff on 7th December 2022.

- All 8 points on the application form should be completed.
- The proposer must be a BMUS member.
- All supporting information should be in the statement submitted, there should be no separate evidence.
- Blind judging will take place - BMUS officers will shortlist the applications to the criteria below, with the winner being chosen by BMUS council.

Criteria to be considered when supplying evidence for nominations may include:

- Championing quality care and patient safety placing it at the heart of service delivery
- Sharing and developing visions of excellence in the field of ultrasound
- Supporting peers and colleagues with positivity, empathy and enthusiasm
- An inspirational member of the team
- Commitment to Sonographers and Ultrasound
- Continuing Professional Development
- Publications
- Education of others

**Completed applications should be sent to Emma Tucker
(emma@bmus.org)**

Closing date for entries 15th September 2022
