

## STREAM ORGANISER BENEFITS

As a stream organiser at the Annual Scientific Meeting you are entitled to:

- Complimentary registration for all 3 days of the conference
- The option of complimentary accommodation in the 'BMUS hotel' for any evening **prior** to the day of working.
- Re-imbusement of economy travel to and from the conference from your home address.

### **Please note:**

1. In the first instance you will be registered only for those days you are working at the conference; an e-mail will follow once your details have been entered into the registration system.
2. The formal letter of invitation for your attendance will be sent at the end of August.
3. All accommodation requirements and additional attendance days must be booked using the form provided with your official invitation letter. Should the form not be returned you will not be registered for any additional dates you wish to attend.

Additional days may also be added to your accommodation booking, these will require to be settled directly with the hotel on departure. Late notification of requirements for accommodation may mean that we are not able to meet your requirements.

Should you prefer to book your own accommodation, this must be communicated to the Event Organiser, Emma Tucker. The cost of this accommodation must not exceed that of the 'BMUS Hotel'. Emma will provide this information should you contact her in this respect.

4. Refreshments and a hot lunch will be provided at the conference each day, please note BMUS does not support subsistence payments in respect of meals at any other time.
