# Sports Medicine Ultrasound Training

**Thursday 11th December 2008**

On Thursday 11th December, BMUS presents a specialist Integrated Training Day on ultrasound in Sports Medicine.

- Aimed at clinicians with an interest in sports medicine and injuries
- Benefit from:
  - small group teaching
  - practical demonstrations
  - hands-on experience using live models
  - teaching from experts in the field
- Upper and Lower Limb scanning techniques explained

BMUS 2008 has a strong, multidisciplinary scientific programme, with special emphasis on hands-on workshops and integrated training sessions, combining small group seminars with practical training.

Try out the latest equipment from all major manufacturers at our workshops and training sessions and visit our small commercial exhibition.
