Ultrasound 2022

Leading Ultrasound into the future

6th-8th December 2022

Dear Delegate

Thank you for registering for **Ultrasound 2022** which will be held at Cardiff City Hall, King Edward VII Avenue, Cardiff, CF10 3ND between Tuesday 6th December and Thursday 8th December 2022.

Ultrasound 2022 promises to be an innovative and exciting programme set within a superb venue at a location with transport links to all areas of the UK.

As usual, the Conference is complimented by a highly regarded Technical Exhibition, which is the pre-eminent showcase for new and established ultrasound manufacturers and suppliers to display their equipment and services covering a wide range of specialties.

If you have any questions regarding your registration, please do not hesitate to contact the BMUS office on 0207 636 3714 or email bookings@bmus.org with **ASM 2022** in your subject line.

Registration

The registration area will be located in the main foyer; there will be two desks, pre-registered and the cash registration desk. Signage and Marshalls will be in place to help you.

If you have already paid for your registration you can collect your delegate pack from the Pre-registered desk.

If you have pre-registered and have been advised by BMUS that your payment or an official Purchase Order from your workplace has **not yet been received**, please go to the **Cash Registration Desk** on the **right**-hand side for assistance.

To register on the day please also proceed to the **Cash Registration Desk** on the **right**-hand side with either full payment or an official Purchase Order from your hospital/organisation.

Please note, unless payment is made or you bring an official Purchase Order with you, you will not be allowed to enter any part of the conference.

Please ensure you are wearing your pass at all times, these will be checked before entering any session or the exhibition, if your pass is not visible to the Traffic Marshalls, you will not be able to gain access. Should you experience any problems with your pass, please see the staff at the Cash Registration Desk.

At the end of your visit to Ultrasound 2022, please leave your pass in the designated box in reception (recycling helps save the planet!).

	MSK Lower Limb	11.20 – 13.10

During each of the practical training sessions, delegates will be put into small groups in order to facilitate learning. The lead tutor will allocate each colour group to a specific scanning booth at the beginning of the scanning session, each colour group will then rotate around the scanning booths. Please familiarise yourself with the coloured dot appended to your name badge to ensure you are part of the correct group.

Social Programme

Welcome Reception

All delegates attending the conference on Tuesday 10th December are invited to attend the Welcome Reception which will commence at 17:00 within the Technical Exhibition area.

Winter Ball and Awards Ceremony

The Winter Ball will be held at Cardiff City Hall in the Assembly Room on Wednesday 7th December 2022.

It is expected that this year's event, like previous Gala Dinners, will sell out and tickets should be bought and paid for in advance. Tickets may not be available to purchase at the conference, however please check availability with the staff on the Cash Registration Desk.

If you are attending the Winter Ball and have any special dietary requirements, e.g. vegetarian etc. please complete the relevant section on the registration form. If you book your ticket after you have registered, please email bookings@bmus.org to confirm your needs.

Please note: You **must** bring along your ticket to gain access to the dinner.
Dress Code: **Smart Dress**, no jeans or trainers

CPD Certificates

CPD certificates can be obtained by completing the feedback survey which will be emailed to you, on completion of your feedback form, the CPD certificate will be sent to your booking registered email address.

Please note these will be issued by the end of January.

Ultrasound 2022 App

A week before the conference commences the Conference App will be launched, this will contain up to date information about speakers, training sessions run by exhibitors, and allow you to take part in live voting sessions during the conference.

Technical Exhibition

A full list of exhibitors will be issued nearer the date of the conference, as each exhibitor is confirmed it will be announced on the BMUS website at www.bmus.org. The exhibition area can be accessed through the registration foyer and is being held in Studio One.
