

GYNAECOLOGY STUDY DAY

16th May 2026

**BC BUILDING, BELFAST CAMPUS OF ULSTER
UNIVERSITY, LOCATED AT YORK STREET,
BELFAST, BT15 1ED**

This day covers key clinical topics such as endometrial assessment, endometriosis guidelines, pelvic masses, fertility, and ectopic pregnancy.

Through expert lectures and interactive case discussions, the course aims to enhance delegates' diagnostic knowledge, reporting skills, and understanding of current best practice in gynaecological ultrasound.
