Online registration closes on 23rd April 2020. Bookings will not be taken after this date and there is no option for on the day registrations.

## BMUS MSK Study Weekend

Saturday 2nd of May will focus on the shoulder, the morning will cover Anatomy, Technique and Pathology the afternoon will see delegates split into small groups to undertake hands on practical scanning with models.

The Sunday will be split into a morning and afternoon session. The morning session will have 2 parallel streams, Stream A Lower Limb and Stream B Rheumatology. The afternoon session will be run in a similar fashion with Stream C being Upper Limb (excluding shoulder) and Stream D, Lumps and Bumps and Hernias and hips.

During the booking process please select which stream you would like to attend. You will be unable to attend streams that run parallel. See page 3 for more details on the streams.

This course can be booked as either a complete weekend or singular days.

Single day registration: Member £120 | Non-Member £170

Both day registration: Member £240 | Non-Member £340
