

PAEDIATRIC STUDY DAY 2026

Join us for a focused and practical course in Paediatric Ultrasound Imaging, designed to update your knowledge and enhance your scanning skills. Expert-led sessions will provide up-to-date guidance, alongside practical tips and tricks to improve confidence when imaging children.

A great opportunity to learn, refresh your skills, and connect with colleagues in a supportive environment.

25th September 2026 | thestudio, Leeds
