

# Study Weekend

## The Musculoskeletal Sonographers Special Interest Group

### 20 - 21st May 2017, Stafford

The aim of the study weekend is to introduce competent sonographers from any profession to the field of Musculoskeletal Ultrasound. A team of experienced MSK sonographers will deliver presentations on several aspects of MSK ultrasound and provide 'hands-on' training using high quality ultrasound systems. The team will be available throughout the weekend for discussion and advice and delegates are invited to join the special interest group for ongoing support.

**Venue: Rab Thomas Lecture Theatre at Post Grad Medical Centre, County Hospital, Weston Road, Stafford ST16 3SA**
