BMUS

Summer School 2016
23rd - 24th June 2016, The Leeds Radiology Academy

Join us for the ever popular BMUS Summer School two day programme
The course is aimed at sonographers, registrars, radiologists and other professionals who wish to develop their ultrasound practice. The programme is designed to refresh delegates’ diagnostic ultrasound technique and ensure they are fully updated regarding leading edge practice.

Day 1: Hepatobiliary Ultrasound - 23rd June 2016
This day will provide increased understanding of hepatobiliary pathologies to help deal with everyday diagnostic dilemmas whilst informing delegates of new techniques in the field.

09.00 - 09.20 Registration and Coffee
09.20 - 09.30 Welcome
09.30 - 10.00 The cirrhotic liver and portal hypertension - A clinical perspective - Dr Mark Aldersley Leeds Teaching Hospitals
10.00 - 10.30 Ultrasound of the cirrhotic liver and portal hypertension - Dr Tim Hoare Newcastle upon Tyne Hospitals
10.30 - 11.00 Interventional radiological treatment of portal hypertension - Dr Jai Patel Leeds Teaching Hospitals
11.00 - 11.30 Coffee
11.30 - 12.00 Paediatric Hepatobiliary ultrasound - Mrs Terry Humphrey Leeds Teaching Hospitals
12.00 - 12.30 Ultrasound of the biliary tree - Dr Tim Hoare Newcastle upon Tyne Hospitals
12.30 - 13.00 What next? A guide to the next test in hepatobiliary pathology - Dr Rachel Hyland Leeds Teaching Hospitals
13.00 - 14.00 Lunch
14.00 - 16.30 Practical & Interactive sessions: Tips to successful liver doppler
15.00 - 15.30 Coffee
Demonstration of hepatic Elastography
Liver Doppler practical session
16.30 Close

Day 2: Ultrasound of the Urinary tract - 24th June 2016
An interesting day planned to improve delegates’ knowledge of practical technique and commonly encountered pathologies in urological imaging from the fetus to the adult.

09.00 - 09.20 Registration and Coffee
09.20 - 09.30 Welcome
09.30 - 10.00 Fetal renal anomalies - Dr Mike Weston Leeds Teaching Hospitals
10.00 - 10.30 Maternal renal dilatation in pregnancy - Dr Mike Weston Leeds Teaching Hospitals
10.30 - 11.00 Ultrasound imaging of congenital renal anomalies - Dr Sophie Swinson Leeds Teaching Hospitals
11.00 - 11.30 Coffee
11.30 - 12.00 Ultrasound of the renal tract master class - Mrs Alison McGuinness Mid Yorks Hospitals
12.00 - 12.30 The role of ultrasound guided intervention in the management of renal dilatation and stones - Dr Harry Bardgett Bradford Teaching Hospitals
12.30 - 13.00 Haematuria investigation and management - Mr Sanjeev Kotwal Leeds Teaching Hospitals
13.00 - 14.00 Lunch
14.00 - 14.30 Renal cysts and tumours: Diagnosis and follow up - Dr Oliver Hulson Leeds Teaching Hospitals
14.30 - 15.00 Ultrasound in acute kidney injury - Mrs Pamela Parker Hull Royal Infirmary
15.00 - 15.30 Coffee
15.30 - 16.30 Interactive case presentations - Mrs Terry Humphrey Leeds Teaching Hospitals
16.30 Close
